16. The quantum of leave without pay in any case shall not exceed two months in one year's service of an employee.

17. LEAVE TRAVEL CONCESSION:

Not only the Central & State Governments and the undertakings under them but all progressive employers in the Private Sector also provide financial assistance to their employees for travel during leave. The Committee recommends that the staff of the CFS may now be permitted to claim leave travel concession once in two years. Public Sector organizations, Municipalities etc. have framed simple rules in this behalf and the Committee feels that as in the case of medical reimbursement, it will be enough if a sliding scale of payments is prescribed for the Society's staff. The Rules of the Government of India for leave travel concession are elaborate and have recently been made more liberal. Considering the resources of the Society, the Committee does not feel justified in recommending leave travel concession in the shape of reimbursement of actual expenses incurred by an employee for travel by self and his family to any station in India once in four years. There need be no restriction on the places to be visited. An employee may be permitted to avail of the concession subject to the monetary ceilings imposed below, once in two years; irrespective of the place or places visited. The concession should be available to the employee and his family. In computing the ceilings to be permitted, the size of the family has been taken as five including the employee. The scheme is intended to provide assistance only and not to cover total cost of journeys. The scales prescribed below would, however, cover the actual cost of tickets by second class rail to most places in India for five members in the family. The concession should be limited to the number of members in the family who actually travel with the employee. For instance, if an employee under Category 'A' below has three members, he will be entitled to Rs.150x3= Rs.450/-.

The concession should be available on fulfillment of the following conditions:

- i)The employee is on earned leave for not less than 15 days; and
- ii)The employee certifies and produces to the satisfaction of the Secretary of the CFS, proof that he and his family actually traveled to an out-station.

Table

Scale of leave travel concessions -----	Maximum limit of concession Once in two financial years. -----
Employees drawing basic pay upto Rs.500/- p.m.	Rs.750/- (calculated at Rs.150/- to and fro per person (150x5=750))

The scheme may come into force from the date of issue of orders. The period of two years for counting, the eligibility of an employee may, however, begin from 1st April, 1979. This is suggested to benefit employees who have been in the service of the Society for a year or more on 1st April, 1980.

SICK LEAVE:

Shri Nadkarni and Shri Murthy agreed that officers and staff of the Children's Film Society, India should be given upto ten days leave every calendar year on medical grounds subject to production of medical certificate of illness. Further, they may be allowed to accumulate such leave upto 60 days at a time during the entirety of service in the Children's Film Society, India. The Secretary, Shri Khedekar felt that the grant of leave on full pay every year would be tantamount to increasing the annual earned leave to 40 days and might set in undesirable practices which it might not be possible to check. He favoured grant of half-pay leave upto 20 days in a year with the stipulation that it could be converted into commuted leave for half the period.

It is not possible to give the benefit to employees with retrospective effect. The concession to be granted should take effect from 1st April, 1980.
