Subject : Regarding effective use of Aarogya Setu App

We are in receipt of [O.M.no.](#) 11013/9/2014-Estt(A-III)dt.29.04.2020 from DOPT regarding effective use of Aarogya Setu App for breaking the chain of transmission of COVID-19 (Copy enclosed).

The following directions may strictly be followed to improve the safety of CFSI employees :

(i) All the officers and staff (including outsourced staff) working in CFSI should download `Aarogyasetu' App on their mobile phones, immediately in terms of DOPT O.M. dt. 29.04.2020 referred above.

(ii) Before starting for office, they must review their status on `Aarogyasetu' and commute only when the app shows 'safe' or 'low risk' status.

(iii) The officers/staff are advised that in case the App shows a message that he/she has a 'moderate' or 'high risk' calculated on the basis of Bluetooth proximity ("recent contact with infected person"), he/she should not come to office and self-isolate for 14 days or till the status becomes 'safe' or 'low risk'.

This issues with the approval of Chief Executive Officer for information and strict compliance by all.
